

To: WBYC Membership Committee
Subject: WBYC Application
Date: 1/6/2018

I would like to introduce myself, David and my wife, Martha Casiles as applicants for membership. We have been residents of Falmouth since 1995. We have one daughter, Allison, who attended Falmouth High School and went on to college and graduate school. She is currently 28 years old and lives in Maine. I work as Manager of East Marine Corporation. I have been in this position since new ownership took over approximately 4 years ago. I have been in the industry over 25 years. Martha is self employed as a psychotherapist. She has an office in town on Palmer Avenue. She also has been in the business for over 25 years.

We decided to buy a house on Seapit Road a few years back because we found the area to be so quiet and the views of the water so terrific. We also entertained getting to know the people in the area by joining your club. I could bring a lot of marine experience to the club. Martha and I would like to get to know the members. If there is something we could do to contribute to WBYC we would be happy to do it. Martha has been involved in many non-profit efforts throughout the years ago as counselor, advocate and friend to a variety of populations.

Martha grew up on Long Island Sound and has fond memories of her time at her beach club. We truly enjoy the summer months on the Cape and think it would be even more magical becoming a members Of WBYC.

Thank you for your consideration of us.

David and Martha Casiles
