Why would you like to join the Waquoit Bay Yacht Club?

Have loved the area since visiting grandparents here throughout the 1950's. Have been sailing in the bay for 30 years. Have finally purchased a house on Seapit Road and would like to become more involved in the community.

How do you feel your membership could benefit WBYC?

We are handy, live right down the street, plan on participating in opening and closing, dock pulling, etc. We are multi-generational members of Appalachian Mt. Club. Highly active in annual opening and closing of the Three Mile Island facility, maintained Clivus Multrums, served on Maintenance Committee and Management Committee.

What skills would you bring to the club with your membership (for example, good with tools, computer skills, correspondence, leadership, etc.).

Tools, electrics, plumbing, computers; Select Board Member in Conway, MA; School Board Chair in Conway, MA; sailing skills.

Rank activities or committees you would like to participate in (1-6, 1 being most interested)
