

To: The Membership Committee of the Waquoit Bay Yacht Club

March 27, 2018

I would like to forward this letter to you to sponsor the membership application of Zack, Kelly, and Lola Grace. That application has already been sent to you by the Graces'. I did not have a chance to sign that application before it was submitted. Please accept this letter on their behalf and add it to their application package.

I have known Zack for about a dozen years now, and, later as he was married, came to know Kelly, and then Lola. They make up a nice young family who would make a great addition to our Club.

Zack works in the hardware section of the Wood Lumber Company. He is both a friendly and helpful sales clerk. In his time there he has become an expert on all things involving hardware, tools, and materials. He is a skilled locksmith and tool repairer. He has often helped me by researching and locating special tools and materials that I need in my remodeling business.

He is always upbeat, courteous, and willing to help. Zack has the kindness to help the elderly and others as they ask for help while shopping at Wood Lumber. His knowledge and hands on skills would be an asset to the Club.

Zack often asks me about WBYC and what we do here. He has expressed his willingness to participate in our projects and come to our social events. He loves the bay and he is enthusiastic about the chance for his family to join the Club.

I see Kelly less frequently, but I sense her excitement about becoming a member. She looks forward to our social events, and eventually, as Lola, gets older, to enroll her in the sailing program.

The Grace family would be a great addition to our roster. I am very happy to be one of their sponsors.

Thank you,
Don Lunn
